

Project Name:
Mackenzie Gas Project Social and Economic Impact Fund

Project Location:	Yellowknife, Inuvik, Calgary	
Client(s):	DIAND, GNWT, Communities	
Date Completed:	2006 - 2008	

Image courtesy of: mackenziegasproject.com

Project Summary:

The federal government committed to provide \$500 million to mitigate the social and economic effects of the Mackenzie Gas Project (MGP) on the communities of the Northwest Territories. The federal government asked Thom Stubbs to manage three main tasks: (1) to facilitate the design of the fund among all partners (2) to provide expert leadership with communities as Aboriginal communities develop Regional Investment Plans that set priorities for community services and programs to address the impacts of the MGP. (3) To advise on the development of a new federal Crown Corporation and Board governance to oversee the management of the fund.

Services Provided:

- * Project leadership
- * Facilitating community service standards and priorities
- * Expert advise on community service programs and standards
- * Strategy Development and Action Planning

Deliverables or Results:

- Expert advice on community Regional Investment Plans
- Overall guidance to the parties on managing the \$500 million Fund
